

## **2004 MOW DOWN AIR POLLUTION FACT SHEET**

The following provides answers to commonly asked question about the upcoming South Coast Air Quality Management District (AQMD) Electric Lawn Mower Exchange events.

### **1. When and where will the events be held and what time are they?**

There will be four events that will be held from **7 a.m. to 11 a.m., or until sold out**, what ever comes first. The event schedule is as follows:

San Bernardino Co.	Riverside Co.	Orange Co.	Los Angeles Co.
Saturday, May 8	Saturday, May 15	Saturday, May 22	Saturday, June 12
<b>California Speedway</b> 9300 Cherry Ave. Fontana	<b>Diamond Stadium</b> 500 Diamond Dr. Lake Elsinore	<b>Verizon Wireless Amphitheater</b> 8808 Irvine Center Dr. Irvine	<b>Hollywood Park</b> 1050 S. Prairie Ave. Inglewood

### **2. Who can participate?**

Only residents who live in the AQMD's jurisdiction of Orange and the non-desert portions of Los Angeles, Riverside and San Bernardino counties. People must show proof of residence!

### **3. How many mowers can I exchange?**

Only one mower per residence can be exchanged.

### **4. What time should I arrive?**

People may arrive up to 2 hours early (5 a.m.) Our experience showed that those who arrived by 5 a.m. last year all received lawnmowers.

### **5. Does the gasoline lawn mower I bring into exchange need to be operable?**

Yes! Try to only have a small amount of fuel in the gas tank to reduce spills, in case your mower needs to be tested.

### **6. How much does the electric mower cost, and how can I pay?**

The New Neutron™ 24 volt cordless rechargeable mower costs \$100 including tax, and can be purchased using cash, check or a major credit card (MasterCard, Visa, Discover, etc.)

### **6. Does the electric mower have a warranty?**

Yes. 2 Years.

### **7. Other important information:**

- The mower is cordless
- It plugs into a standard electrical outlet
- The charge time: 12 hours to fully recharge.
- It only weighs 48 pounds (removable battery is 15 pounds)
- The battery provides up to 60 minutes of mowing time.

### **8. Where can I get more information on the lawn mower?**

Additional information on the lawn mower product can be obtained by calling the Neutron Information Line at **1-877-560-8898**, or checking the Neutron Web Site at [www.myneutron.com](http://www.myneutron.com)
